Chiranjiva

All scriptures speak the same truth with a different primary impression of time, reflecting the period of their individual influence.

Chiranjiva illumines the Creative Faculty in the ecstasy of self-expression, enjoying the eternal play of will and nature emerging from the long night as the children of truth re-cognize one another as multiple forms of a singular desire – to reintegrate the natural orders of existence and realize a peacefully harmonious world

The curtain has risen and we are all the players in the greatest show on earth.
